- Next meeting will be held on a Saturday night and the Frank Cowell from "Shed Happens" will be attending to discuss what they are doing in November.
- Phil Cortis brought up about ASRF & Sanctions. If you are an ASRF member and you are driving outside of club runs then you have to let them know. If you don't have ASRF membership and you want to go on a club run, Tim is going to set up a link on our home page. Guy from Shannons Insurance advised that everyone should keep a log book in their cars in case of an accident.
- David Saniflippo asked if our Sanction covers other areas. Tim advised to check with their rules. Tony mentioned to be careful doing this. Be better to join the ASRF for \$40 or wait until the club pays.
