## **CORRESPONDENCE**

- No correspondence

## **GENERAL BUSINESS**

- Tony talked about the meeting some of the committee had with the Mackay Regional Council about getting our land to put a clubhouse on. Most of the land the Council have available is flood prone. The Council suggested that we approach another club to share their clubhouse. There are some clubhouses over near old netball courts. The disadvantage with moving out of our existing premises is we get a substantial discount on the large shed we use for our biannual car show.
- Tim to chase up Port Authority for old aero club
- Tim mentioned that we now have coffee and tea available for all members and visitors.
- Tony welcomed all visitors to tonight's meeting and wished all a Happy Father's Day for tomorrow.

**NEXT MEETING:** Sunday 4<sup>th</sup> October at 11am at the Clubhouse. An email will go out closer to meeting date. Check our Facebook page for updates.

Meeting closed at 5.40pm.

Thank you all for your attendance.
