Treasurer's report approved by Bob Wilson and seconded by Steve Milner.

CORRESPONDENCE

- Jeff spoke to Don Bentley of ASRF and all shows south of Bundaberg have been cancelled.

GENERAL BUSINESS

- Mal asked if we have received any money yet from containers for change. Sue said she would check into it.
- Sue mentioned about getting a group together to take a run to Clairview and stay overnight. Jack said he would investigate and see what accommodation there was.
- Tony advised that the lease to our clubhouse is due for renewal now. The Show Society is putting the rent up to \$1,025 per month. He asked if everyone was in favour of the committee trying to source other alternatives. The Council have land around the area which we could put our own shed on or buildings we could rent at a cheaper rate. Jeff seconded and all voted in favour to pursue.

NEXT MEETING: Sunday 6th September at 10am. Tony mentioned it was Father's Day so would make meeting earlier in case people have plans. Email to go out closer to time with details. Also check Facebook page.
