New members voted in and welcomed to the club.

Minutes of previous monthly meeting held on the 31st of July were read out by Tim Vaughan. Minutes approved by Tony Camilleri and seconded by Levi Cameron.

TREASURER'S REPORT

Read out by Angela.

The working account has a balance of \$84,213.44 as of today. There are still some big expenses to come out for the show. These include security, dinner and kids' entertainment amounting to approximately \$10,000

Treasurer's report seconded by Troy Billington.

CORRESPONDENCE

Nil correspondence.

GENERAL BUSINESS

- Dad's Day in the valley is on next weekend. Would like to get a few cars to go to try and promote our show which is on the weekend after.
- Club shirts have not arrived yet, but the show shirts are here.
- Show weekend we would like as many volunteers as possible. We need approximately 20 Marshalls to monitor crowd numbers.
- Meet and greet will commence at 6pm on the Friday night. Can we get an estimate of numbers for catering purposes?
- Bump in times for show will go out this week. Please stick to your times to make it run smoothly. If your car is not in, then why not. It does not have to be finished. Can be entered as a work in progress.
- The gates open at 9am but if volunteers for the day could please meet at 8.30am for a briefing. This show makes money to keep us running for the next 2 years to pay donations, rent on the clubhouse and car club runs etc.

NEXT MEETING: Sunday the 3rd of October at the Clubhouse.

Meeting closed at 11.40am.

Thank you all for your attendance.
