CORRESPONDENCE

- Email received from a lady in Gympie selling a 1932 Sedan on behalf of her unwell Husband. Tim read out the email. If anyone is interested or wants further details or photos then see Sue.

GENERAL BUSINESS

- Tony thanked everyone who volunteered their time to help out at the car show. He read out a thank you email from Bob & Stephanie Briggs.
- Angela gave a rundown of show figures. We made a profit of \$28,000 even though numbers were down on previous years. This was due to COVID lockdowns and other events on the same weekend. We only had 199 car entries. Thank you to Stan from Pirtek and everyone else who helped organize the show.
- Jeff Fussell asked if we could donate \$2,500 to Paul Bauer who has started up a charity to raise funds for the Townsville Hospital Burns Unit. He is hoping to raise about \$170,000. All members voted in favour.
- Ashleigh Vaughan is taking pre-orders for the 2022.
- Angela mentioned there were still 5 women's size 12 event shirts left over from show. They have been reduced from \$45 to \$30 for sale.
- Phil Ryan thanked the club for the donation of \$500 to Mackay West Rotary Club for their Swap Meet.
- Laurie Danastas asked if some of the members were willing to drive their cars to the funeral of Paul Turton. Sadly, Paul one of our members recently passed away.
- Angel Fussell officially resigned as Treasurer. At our AGM in December all positions become vacant prior to being taken up again.
