GENERAL BUSINESS

- Can we have all the volunteers from the club in the club shirts on both show days.
- Entrants for cars is now live on our website. Teniko is here today if anyone wants help with their entry. Online ticketing will also be available shortly.
- Phil Ryan has volunteered to do the "Meet & Greet" on the Friday night prior to the show. He asked if he could get a couple of more volunteers to help him and new members are welcome to help.
- There is still a vacancy for one model for the calendar. Please see Ash after the meeting if you are interested.
- Ian Tulk has locked in water barriers and an electric scissor lift for the show from Coates but cannot get electric signs.
- As we are now coming up to 10 weeks out from the show, we will be needing 20 volunteers as Marshalls to get visitors to comply to COVID guidelines.
- We will be doing a Go-whoa outside on the bitumen, but numbers will be limited. Also, dinner tickets for the Saturday night are limited to 104.
- Angela thanked all Volunteers who manned the Clubhouse at recent Mackay Show. After costs a profit was made of \$477.80 from the raffle.
- Phil Ryan mentioned that the Swap Meet maybe still on, on the October long weekend and if so, they will probably ask for sponsorship from Club again.
